

## HOLD HARMLESS AGREEMENT

### RELEASE OF LIABILITY FOR USE OF PUBLIC TRANSPORTATION

Public Transportation Includes: Rail runner, NCRTD Blue Bus, Taos Express, Po'Pay Messenger, NM Park & Ride, Santa Fe City bus, and other modes of public transportation.

Santa Fe Indian School does not condone the use of public transportation to commute to and from school for safety reasons. However, we understand that situations can arise where a student is required to ride public transportation such as the rail runner to commute. Parents or legal guardians understand that SFIS cannot impose any regulations for students while using public transportation. Therefore, the purpose of this form is to release Santa Fe Indian School of liability of any harm, incidents, actions or injuries while an unsupervised student is using public transportation to and from school.

I hereby release SFIS Inc., its officials and employees from any liability should my (son/daughter) commute via public transportation. Furthermore, I understand that SFIS Inc. WILL NOT assume any liability for the students' actions, incidents or injuries as they walk to or wait at public transportations loading areas.
