

SFIS STAFF COMMUNICABLE ILLNESS GUIDANCE TREE

ALL STAFF ARE REQUIRED TO FOLLOW THE SFIS GUIDANCE TREE

Notify your Supervisor and Human Resources if....

Can you come to campus?

When can you return to campus?

You...

are ordered to quarantine by your tribe.

No, vaccinated and unvaccinated staff must quarantine at home.

Staff can return after they are cleared by the tribe.

You...

test positive for COVID-19.

No, vaccinated and unvaccinated staff must isolate at home. Ⓢ

Staff must wear a face mask indoors at all times for 10 days

Symptomatic staff can return 5 days after symptoms began AND they are fever-free for 24 hours without medication AND other symptoms have improved.

Asymptomatic staff can return 5 days after the positive test result without onset of symptoms.*

*If symptoms develop after testing positive, your 5 day isolation period starts over, and the above (symptomatic) guidance applies.

You...

are sick.

To include the following symptoms:

Cough, Fever, Chills, Nausea/Vomiting, headache, body aches, runny nose, etc...

No, vaccinated and unvaccinated staff must stay at home.

Staff can return after they test negative for COVID-19 AND are no longer sick. Provide negative test result to Supervisor.

OR

Staff can return after a healthcare provider documents a reason for the symptoms other than COVID-19, and has cleared them to return to work.

OR

Staff can return after 5 days from the start of the symptoms AND they have been fever-free for 24 hours without medication AND symptoms have improved.

Ⓢ Does not apply to staff who have tested positive within the last 60 days, have completed the 5 day isolation, and are asymptomatic. 07/06/23
