Music Department

Five current and former SFIS music students participated in the recent 40th annual Grand Canyon Music Festival. A concert featuring their original music was performed on Sunday, September 3, and broadcast on Arizona PBS television.

Under the leadership of Arlene Huber and the SFIS Gifted and Talented Program, students Matthias Nabahe, Mateo Poncho, Ziinos Miranda, Ethan Haceesa, and Jireh Garcia studied music composition in January 2023 with Raven Chacon, the 2022 Pulitzer Prize recipient in Music.

The five joined students from across Arizona and New Mexico as part of the NACAP - Native American Composer Apprentice Project. More information can be found here: <https://grandcanyonmusicfest.org/native-american-composer-apprentice-project/>

Congratulations to our talented music students!

Dear SFIS Family and Friends,

The month of September is going to be a very busy and exciting month for our students. Be on the lookout for our monthly calendars and newsletters to keep you up to date on important academic dates, sporting events, and dormitory activities. This is a great way for you to stay informed and connected to your students daily school and activity schedule.

Our Core Value for the month is Respect and our Foundational Topic is Education. The Health and Wellness focus is SFIS Anti-Bullying campaign—"We are Braves not Bullies". Please take some time and talk about what respect is with your student, respecting staff, teachers, peers, etc.

Congratulations to all the students who have made a commitment to being a Brave/Lady Brave! Football, Cross Country, Volleyball, and Soccer athletes are working hard attending practice every-day and keeping up with school work. While they are working hard on the field, course, or court, our dorm staff will continue to keep them on track. Please join us for all of their home and away games and help us cheer on our Braves and Lady Braves!!

Our tailgate party is on September 20th. Please come join us as our Mid school Braves football team will host Memorial. Game time is 6pm but tailgate will begin at 5pm. Mid school dorm staff will be at the north end of the football field firing up the grill. Join us for some good food as we cheer on our Braves! Because this event is getting bigger each year we would like to ask our families for help with drinks and melons donations. Please see ***Tailgate Donation List***

Count week begins on Sunday September 24th through October 14th. It is important that your student is present in the dorms for this time. Our dorm program receives funding based on our student attendance. There will be an incentive for those students who meet the attendance requirement.

A friendly reminder to parents and guardians to please check your student in before 9pm any day of the week per the SFIS handbook. Also, when dropping off any items/food for your student please drop it off before 9pm. Please encourage your student to eat at the cafeteria for breakfast, lunch, and dinner, our cooks here at SFIS work hard to provide everyone with a hot delicious meal every-day. Also, a reminder for early release days, students are allowed to ride the 2:52pm train and the regular 4:20pm train. A bus transports them to the RR station at South Capital and on Sundays a bus picks up students at 7:50pm. Please inform your students SLA/RA by Wednesday if your student will be riding the train. If you have any questions regarding any activities or events, please feel free to contact your students SLA/RA or Jeri the Rec & Prevention specialist at (505) 372-9709

Homework Help

Research has shown that tutoring is a highly effective method for students to enhance their academic performance, specifically in test scores. By providing a tailored approach to learning, tutoring can cater to your unique learning style and individual needs. You can submit a tutor request by scanning the QR code on the flyer.

Parent Advisory Council (PAC)

About: The Parent Advisory Council (PAC) supports and serves in a liaison capacity to the Superintendent and the Board of Trustees. The PAC sponsors various activities on campus and is a valuable resource and support network for both day and residential parents.

Membership: The Parent Advisory Council has seven members with the following representation: two members from the Eight Northern Pueblos, two members from the Middle Rio Grande Pueblos, two members from the Southern and Western Pueblos, and one At-Large member. PAC members serve voluntarily, and SFIS encourages parents and guardians of enrolled students to serve as members of the PAC.

PAC monthly meetings are open to all parents who would like to attend. Meetings are in person and Zoom on the third Friday

You are invited to

Events

Bring Your Child to Work Day

On Labor Day, the staff had an all-day workday, and they were encouraged to bring their children to work. During the day, the children had the opportunity to spend time with their parents in their work environments and participate in a variety of activities on campus, such as cupcake decorating, decorating SFIS water bottles with stickers, scavenger hunts, outdoor

activities, and more. It was a fun-filled day that ended with a snowcone treat. Thank you to all the staff who made this a successful day for our future Braves and Lady Braves.

Welcome to the SFIS family!

We would like to extend a warm welcome to the new staff members who joined us at the end of the previous school year, as well as those who have recently joined us for the current school year. We are thrilled to have you all on board and are excited for the wonderful 2023-2024 school year ahead!
